School Food Pantry Collection

We're collecting food items to stock the school pantries as they start a new year. The kind of items that can be sent home with even the youngest kids to prepare for themselves. Your Social Ministry Committee will split the food between the Marinette and Menominee School Districts at the beginning of September.

Please donate items that can be eaten as is or can be prepared using only water. Microwavable meals are good. Place your donations in the narthex by the collection baskets between July 6th and August 24th. A list of suggestions can be found in our July newsletter.

Our mission and ministries are possible thanks to the Lord's labor through our faithful living and giving. The Spirit invites us into Jesus' way of generosity as we worship God by sharing our offerings. Thank you so very much for your continued contributions. Every little bit helps. You are making a difference! Again, thank you!

Communion

"Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts, praising God and having the goodwill of all the people." (Acts 2:46-47a) Starting Mar 9, we started using gluten free bread for communion. This is one loving way to extend care and hospitality to our neighbors with dietary needs. Some for whom cross-contamination could be lethal. For instance, dipping regular and gluten

free into the same wine/grape juice. It eliminates the need for assistants to take extra steps when setting up the Lord's Supper. Lastly, using bread is a meaningful way that one or more siblings in Christ can share their God-given gifts and serve the church. It has come to our attention recently that a few folks have concerns about swallowing issues, so there will now also be gluten free wafers available.

Zion has items for free to pick up!

We are giving away our two air conditioners to any Zion member who is interested. We also still have our old projector screen so if any member or friend of Zion wants it or knows someone who could benefit from the screen, they are more than welcome to take it. If you have any questions regarding the air conditioning units or screen and want to pick them up, you can call Mark Swenson at 715-923-4080.
