Diverse in viewpoints, united in Christ

Due to circumstances, in our individual and collective lives, there is stress and/or heaviness that is hard to bear at times. While it doesn't necessarily fix the situation, I know personally that talking with someone can be helpful. So I want to let you know that whether we agree on a topic or not, my ear is available. Whether in person, on the phone or by messaging, I am willing to be a listening presence for you. I know we are still working at building trust in our relationship so there may be some hesitancy. Especially these days when it feels less safe to open up to people. Part of that building of trust, though, comes through working at communication and having conversations. No matter your stance on various things, you are my sibling in Christ. You are not alone.

Tithes & Offerings for 3-10

General Fund: \$4,428

Capital Improvement Fund: \$30

Memorial Fund for Pastor George: \$50

Our mission and ministries are possible thanks to the Lord's labor through our faithful living and giving. The Spirit invites us into Jesus' way of generosity as we worship God by sharing our offerings. Thank you so very much for your continued contributions. Every little bit helps. You are making a difference! Again, thank you!

Note of Thanks!

Dear Zion Lutheran Church,

Your gift of \$2,800.00 means the world to the survivors and children we serve. Thank you for standing with Rainbow House during a critical time in our community.

Domestic violence service providers across Wisconsin are facing an unprecedented funding crisis. Federal VOCA (Victims of Crime Act) funding has been reduced by 70% statewide. This devastating loss has forced some regional agencies to reduce services or cease operations temporarily. Survivors from areas that have lost services are now reaching out to us for help, expanding our service area at precisely the moment when resources are most constrained.

Like agencies throughout the state, Rainbow House has had to make difficult choices to continue serving survivors in Marinette, Oconto, and Florence Counties. We've reduced staff hours and implemented pay cuts to keep our doors open. Despite these challenges, we remain committed to providing the free, confidential services that survivors depend on: emergency shelter, legal advocacy, crisis intervention, counseling, and 24-hour support.

This is why your local support is more essential than ever. When federal funding fails, community donors like you bridge the gap. Your contribution ensures that survivors have a safe place to turn when they need help most—that they can access an advocate to navigate the legal system, find safety for themselves and their children, and receive the support that helps them rebuild their lives.

Your compassion and generosity sustain our work when it matters most. If you have questions or would like to learn more about how we're responding to these challenges, please reach out.

With deep gratitude,
Courtney Olson, Executive Director
